as per his instruction, you need to go back to windows 8.1 or whatever your old os is by going to update-recovery- go back to windows 8.1 (old version here)

but it is too easy arationalization to argue that we mighthave killed 500,000 vietnamese, whereas, thanks to the protests, we may have only killed 100,000

he’s not that guy, but like a lot of single guys online he obviously likes to look at a lil t and a.
